OEKO-TEX®

CONFIDENCE IN TEXTILES

STANDARD 100

Tested for harmful substances.

www.oeko-tex.com/standard100

The best Italian polyamide micro only

The supplier of the fabrics we use has a certificate, approving its quality. **STANDARD 100** by **OEKO-TEX®** is one of the world's best-known labels for textiles tested for harmful substances. It stands for customer confidence and high product safety. If a textile article carries the **STANDARD 100** label, you can be certain that every thread has been tested for harmful substances and that the article, therefore, is harmless for human health.

MATERIAL FEATURES OF NIKOLAY® GARMENTS

-  We source the best existing high-tech and soft materials available for sports-wear that guarantee comfort during any movements.
-  Super soft like a peach brushed microfiber makes our garments feel like second skin.
-  Polyamide micro – hi-tech breathable material.
-  Easily absorbs moisture and looks good even when it's a bit damp.
-  Fast-drying and breathable, thus extremely comfortable.
-  UPF 50+ allows one to wear the garment during outdoor classes without worry.
-  Special bi-stretch technology helps you to feel free during stretching and active exercises.
-  Keeps its form and doesn't lose shape after multiple washings.
-  Fade resistant. Colors remain bright after a large number of washes.

CAREFUL PRODUCTION FOR YOUR CONFIDENCE

-  We use three different types of thread to answer stretching properties of the materials.
-  We pay attention to the end of each seam by securing it. This guarantees longer lifespan for your garment.

LINING

All our leotards are fully front lined to give dancers confidence that nothing is visible from under the garment.

Beige lining for color leotards.

White — for white leotards.

Black — for black leotards.

POCKETS FOR CUPS

Some ballerinas prefer using cups, while others — don't. We made pockets, so there's always the possibility of changing cups, adding them, or removing them when needed. Please, note: we do not sell bra cups so you will need to buy them separately.

CONSIDERING ANATOMY

NIKOLAY® Men's styles are specifically made for the male dancer. They are all designed and cut to enhance the masculine physique. We always use danseurs for our fit models.

NIKOLAY® ACADEMY

The best teachers know that the key of future success is always in details. This has become the main reason for collaboration of NIKOLAY® with the worldwide famous ballet schools – The Bolshoi Ballet Academy, Vaganova Academy of Russian Ballet, Boris Eifman Dance Academy.

The secret of NIKOLAY® uniform popularity is in its refined form. It's the carefully verified line of the back that allows the teacher to control the correct work of shoulders and neck, the form of hip cut that makes the movement easy, staying on the same place even during the most intensive exercises, and exceptional quality of fabrics.

All leotards are fully front lined and most feature removable bra cup pockets in the lining.

KNITTED WARM-UP

NIKOLAY® knitwear collection was a best seller last year, and we're sure it will be just as popular this year, as we have created another beautiful line and made it even better.

The premium-quality Italian yarn is tested several times before knitting.

The quality department carefully checks each garment during production and when finished.

The highest quality is approved by professional dancers and happy ballet moms, who admire the durability.

High-technology production processing makes the ready garment soft and not itchy.

Color stays bright after dozens of washing cycles.

The yarn complies with the German, Italian and European Laws regarding the prohibition of the use of toxic substances.

Super comfort is achieved by purl-knitting technique that allows the garment to follow body curvature perfectly.

ECO. The yarn is made by a sustainable factory, which uses innovative dyeing on cones that can achieve 50 % of water saving compared to conventional dyeing. Also the large part of the energy is supplied by the photovoltaic system installed on the roof of the plant.

The solid colors are still available to the remaining stock as shown on the website nikolay-world.com
