

Grishko®

BOUNDLESS

PERFECT CHOICE

Much like the stars go on forever, GRISHKO® BOUNDLESS collection encapsulates Infinity. These everlasting offerings will make you the center of any room's orbit. With our immeasurable choices, you can find your universal look amongst these constellations.

Collaborating with our team members across several continents, we created this ravishing selection of apparel for everyone.

So when you're ready to shine as bright as the sun, you'll find the perfect choice in BOUNDLESS.

CONCENTRATE ON THE MAIN THING

WE CAREFULLY CONTROL OUR PRODUCTION TO MAKE YOUR GARMENT FEEL LIKE SECOND SKIN – BECAUSE WHEN YOU FEEL COMFORTABLE, YOU CAN CONCENTRATE ON THE MAIN THING – DANCE.

The best Italian
polyamide micro
only

The supplier of the fabrics we use has a certificate, approving its quality.

STANDARD 100 by **OEKO-TEX®** is one of the world's best-known labels for textiles tested for harmful substances. It stands for customer confidence and high product safety.

If a textile article carries the **STANDARD 100** label, you can be certain that every thread has been tested for harmful substances and that the article, therefore, is harmless for human health.

MATERIAL FEATURES OF GRISHKO® GARMENTS

We source the best existing high-tech and soft materials available for sportswear that guarantee comfort during any movements.

Super soft like a peach brushed microfiber makes our garments feel like second skin.

Polyamide micro – hi-tech breathable material.

Easily absorbs moisture and looks good even when it's a bit damp.

Fast-drying and breathable, thus extremely comfortable.

UPF 50+ allows one to wear the garment during outdoor classes without worry.

Special bi-stretch technology helps you to feel free during stretching and active exercises.

Keeps its form and doesn't lose shape after multiple washings.

Fade resistant. Colors remain bright after a large number of washes.

CAREFUL PRODUCTION FOR YOUR CONFIDENCE

We use three different types of thread to answer stretching properties of the materials.

We pay attention to the end of each seam by securing it. This guarantees longer lifespan for your garment.

LINING

All our leotards are fully front lined to give dancers confidence that nothing is visible from under the garment.

Beige lining for color leotards.

White — for white leotards.

Black — for black leotards.

POCKETS FOR CUPS

Some ballerinas prefer using cups, while others — don't. We made pockets, so there's always the possibility of changing cups, adding them, or removing them when needed.

Please, note: we do not sell bra cups so you will need to buy them separately.

CONSIDERING ANATOMY

GRISHKO® Men's styles are specifically made for the male dancer. They are all designed and cut to enhance the masculine physique.

We always use danseurs for our fit models.

ARTICLE CODE

DA — for direction "Dancewear"

Added letter D — Kids size

Numbers — Stock Keeping Unit

Numbers after the slash / — additional options to the model

Letter after style number:

- C — Cotton
- M — Polyamide micro
- L — Nylon
- V — Velour (usually additional material)

- P — Lining
 - CP — Cotton with lining
 - MP — Polyamide micro with lining
 - LP — Nylon with lining

MEN'S COLLECTION

At GRISHKO®, we know that men and boys want to look their best, whether that's in class, at rehearsal or performance. We only have that as our goal when creating new garments to show off their lines.

This collection will help them to live their dream and shine brightly. We unite fashion and function for everyone.

DA3035LP Polina

Tank style leotard

This infinitely complex design carries a secret: it never repeats itself exactly, just like dancers and artists. To be that unique, we created this mini-collection, the first of many. This sleeveless leotard has a V-neck with a small keyhole on the back with our secure clasp closure. Fully front lined and bra cup pockets.

Skirt

Narrow elastic waistband on this high-low microfiber skirt shows off all the right lines. The unfinished edge allows one to cut the hem if a shorter skirt is preferred without worry of fraying. Front is 9" and back is 14".
