

A young ballerina with light brown hair in a bun, wearing a white short-sleeved leotard with a ruffled collar and a white tutu, is in a ballet pose with her right arm raised. An adult ballerina with long brown hair, wearing a white leotard, is leaning over her, adjusting her hair and arm. The background is dark and moody.

TO DANCE, TO DREAM, TO LOVE

There are many reasons to take ballet classes for a child, they love movement, they have friends that dance, they enjoy music, they love their teacher, they have a dream to dance on stage... NIKOLAY® brand would like to present Future Stars III collection created to be another reason to love your dance class.

Choosing the best for your child — it is important to have safe, high-quality materials. We use only high quality Italian materials to ensure that all NIKOLAY® items are made of the finest quality raw materials. We never use any toxic dyes, sprays or cleaners on any of our raw material or finished product.

All the years of expertise of the Nikolay Grishko's factories found their expression in the refined constructions — every detail is placed with the means of comfort for the little dancer. No buttons, zippers, or drawstrings are used in design to make sure a child can put on the garments with ease and not have any distractions.

Rightfully so, kids will be kids — they want their apparel to be not only comfortable, but also beautiful. That's why we offer multiple colors and fashionable details in this collection — mesh, ruffles and tiny bows with crystals.

Every little dancer loves to watch the older students or professionals, they want to look like them. Future Stars III is created to compliment the styles and colors of the Academy, and Senses collections! Uniting the best of colors and patterns, we created a collection that satisfies parents, children, and their teachers. Collection includes leotards, skirts, t-shirts, tunics, and leggings in sizes 4-6Y to 12-13Y making the dreams of the little dancers to be "like an adult ballerina" come true.

FABRIC FEATURES OF NIKOLAY® LEOTARDS

We carefully control the production to make the garment soft to touch like the second skin — because when your body feels comfort, you can concentrate on the main — dance.

The best existing high-tech and soft fabric for the sportswear that guarantees the comfort during any movements.

Super soft like a peach inside makes you feel the garment like the second skin.

Polyamide micro — hi-tech breathable fabric.

Easily absorbs the moisture and looks good even when it's a bit wet.

Fast-dries and doesn't need ironing.

Has UPF 50+ that allows to wear the garment during outdoor classes.

Special bi-stretch technology helps you to feel free during stretching and active exercises.

Keeps the form and doesn't lose it after the numbers of washing cycles.

Colors remain bright after a large number of washes.

CAREFUL PRODUCTION FOR YOUR CONFIDENCE

We use three different types of thread to answer stretching properties of the materials.

We pay attention to the end of each seam by bunching it. This guarantees longer lifespan of your garment.
