

A full-page photograph of a ballerina in a vibrant red leotard and white ballet slippers. She is captured in a dynamic pose, with one leg extended horizontally to the left and the other bent, resting her foot on her thigh. Her arms are elegantly positioned, with one hand near her head and the other extended. The background is a soft-focus blue sky with wispy white clouds. The lighting is bright and even, highlighting the texture of the leotard and the grace of the dancer.

Grishko®

WINTER
SOLSTICE
collection

As the shortest day of the year approaches, you might not be feeling any love towards the cold and dark of the winter solstice.

This collection reminds us of the beauty in all things, even the frosty, bitterness of December days. Instead of looking upon the solstice with dread, we want to share with you the enchantment of winter, the magic of the holidays and provide you with warmth and solidarity when the icy winds blow. Winter colors and fashionable cuts of this collection are designed with care and passion for dance.

THE WINTER SOLSTICE IS THE GREAT STILLNESS BEFORE THE SUNS REBIRTH

Winter Solstice. The longest night of the year with continuous twilight. The world awaits the rebirth of the sun to signify the time of year to set new intentions and let go of the past.
